

Executive Mansion News Letter

No.1

Friday May 30 2008

President Ellen Johnson Sirleaf signs a condolence book in the Chinese capital, Beijing, as a demonstration of Liberia's concern for earthquake victims in the Sichuan Province.

[Retrospective on Executive Mansion Website One Year Anniversary](#)

May 2008 marks the one year anniversary of the Executive Mansion website (www.emansion.gov.lr), a major source of information from the Presidency both in Liberia and the rest of the world. The launch of the website has made it possible for the Office of the President to keep Liberians at home and abroad abreast of the President's and Vice President's daily activities, domestic and international trips, policy objectives, successes and challenges. [An In-Depth Look at the Recent Cabinet Tour of Western Liberia](#)

President Ellen Johnson Sirleaf remains as focused as ever in her drive towards national reconstruction. Undoubtedly, the quest to turn Liberia a country once referred to by many with considerable disdain into a post conflict success story is well on course. To enable this odyssey to come full-circle, the Liberian leader is fully aware that she must decentralize. To this end, her policy of 'taking the Cabinet on the road' has become an administration trademark. [Full Story](#)

[World Bank Pledges US\\$10 million to Liberia at TICAD](#)

Tokyo-Japan - The World Bank has announced that it will provide US \$10 million dollars to assist Liberia in tackling the sharp increases in the price of food. The funds, World Bank President Robert Zoellick said, would be used to support agriculture production in the country. [Full Story](#)
