## About Chartered Institute of Leadership and Governance (CILG)

In a world that is becoming highly competitive, globalized and sophisticated, it is imperative for countries to have leaders and public sector managers who can not only measure up to the current challenges but also anticipate and prepare for future ones. A leaders must have a vision that is common and collective, far-reaching yet contemporary, reflecting the aspirations of every single citizen and the nation as a whole. This, in essence, brought about the establishment of The Chartered Institute of Leadership and Governance.

The Chartered Institute of Leadership and Governance is a professional body established under the Law of the State of New Mexico, United States of America, to build and implement Leadership and Governance skills in the administration of duties.

CILG is an approach to prepare and equip individuals with ideas and innovations geared towards the proper and effective handling of societal values and problems through the teaching of administrative skills and leadership cues.

The Institute has capabilities in bringing about educational and Professional development in Leadership and Governance skills through programs that are aimed at preparing and providing leaders with adequate and effective skills to provide solution to everyday Leadership and Governance problems
