**JOB ANNOUNCEMENT**

MSF France is a non-profit international organization, belonging to the international movement of Médecins Sans Frontières (Doctors without Borders), providing assistance to populations in distress, to victims of natural or man-made disasters and to victims of armed conflict. MSF does so irrespective of gender, race, religion, creed or political convictions. MSF observes neutrality and impartiality in the name of universal medical ethics and the right to humanitarian assistance, and claims full and unhindered freedom in the exercise of its functions. Members undertake to respect their professional code of ethics and to maintain complete independence from all political, economic or religious powers.

Therefore, for its Mental Health and Epilepsy Project, MSF France is recruiting a:
