Red Cross National Societies with a view to preventing and alleviating human suffering and thereby contributing to the maintenance and promotion of peace and development in the world.

BACKGROUND INFORMATION

It is the intent of LNRCS to contract a consultancy company for technical specification for a complete set of solar lighting equipment and installation works in the South East of Liberia. To be precise, the following Counties are: Sinoe, Grand Kru and River Gee Counties.

Consultancy for “Solar panel technical specification and installation work”.

LNRCS invites sealed bids from suitably qualified and experienced bidders for consultancy service.

The consultancy will include:

1. Preparation of detailed Scope of works and technical specifications for solar lighting.
2. Preparation of a bill of quantities showing indicative prices
3. Provide assistance in identifying appropriate companies for the Installation
4. Technical supervision of installation work.
5. Carry out inspection to ensure quality control and conformity with required specifications
6. Ensure the installation activities on the site are being undertaken as per agreed schedule and according to the design drawings and specifications.
7. Prepare installation report at the end of the project.

[Bidders willing to participate must have minimum 3 years’ experience in similar projects]
