

REPUBLIC OF LIBERIA

THE PRESIDENT

EXECUTIVE ORDER NO. 135

EXTENDING EXECUTIVE ORDER NO. 119 INSTITUTING MEASURES TO PROTECT AND STIMULATE LOCAL MANUFACTURING

Whereas Executive Order No. 119 instituting measures to protect and stimulate local manufacturing has expired but the need to continue to solidify the gains realized and stimulate economic growth in the Liberian economy cannot be overemphasized;

Whereas the Government recognizes the need to promote sustainable job creation by improving commerce and trade as envisaged under Pillar one (1) of the Arrest Agenda, and by protecting local businesses from unfair competition from international brands of locally manufactured goods;

Whereas in the exercise of Executive Power vested in the President by the Constitution, the President may issue Executive Orders in the Public interest, either to meet an emergency or to correct situations which cannot await the lengthy legislative process;

Now Therefore,

1. The Government of Liberia hereby issue this Executive Order imposing a local industry development surcharge on the importation of certain goods and/or raw materials that are imported in such quantity and manner that may injure or undermine the survival of local manufacturers. See attached Appendix 1 of this Executive Order for the products and their HS Codes.
2. Such products and rates shall be published by the Ministry of Finance and Development Planning.

This Executive Order shall take effect immediately.

Given under my hand and seal of the Republic of Liberia, this 12th day of August 2024.

Joseph Nyuma Boakai, Sr.
PRESIDENT
REPUBLIC OF LIBERIA
