Expression of Interest for Independent Engineer/Engineering Firm for Construction Supervision Services-Bo-Waterside Health Center Upgrade Project

Introduction

The **West African Health Organization-Liberia** invites qualified and experienced independent engineers or engineering firms to submit an Expression of Interest for **Construction Supervision Services** for the Bo-Waterside Health Center Upgrade Project in Bo-Waterside, Grand Cape Mount County.

The purpose of this EOI is to identify and shortlist suitably qualified individuals or firms capable of providing technical oversight, quality assurance, and compliance monitoring throughout the construction of the project.

Scope of Work

The Construction Engineer will be expected to:

- Review project designs, specifications, and work schedule.
- Conduct regular site inspections and supervise construction activities.
- Verify that work is executed in accordance with approved plans and standards.
- Monitor contractor performance and adherence to timelines.
- Report regularly on project progress, challenges, and compliance issues.
- Provide recommendations for corrective actions if necessary.
- Ensure compliance with health, safety, and environmental standards.
- Attend project or Steering Committee meetings and coordinate with stakeholders.

Eligibility and Qualifications

Interested candidates or firms must demonstrate:

- Registered professional engineer or licensed engineering firm
- Professional qualification in Civil or Construction Engineering.
- Proven experience in construction supervision, preferably in health facility projects.
- Knowledge of local building codes, safety standards, and procurement regulations.
- Strong report writing and communication skills.
- Ability to work collaboratively with project teams and contractors.

Submission Requirements

Please provide the following in your quotation:

- Detailed CV(s) highlighting relevant experience or a company profile.
- Technical approach to fulfilling the scope of work.
- List of Project completed in the last 5 years
- Copies of professional certificates and licenses
- Financial quotation indicating your fees and payment terms.
- References from previous similar projects (at least two).

Deadline and Submission

Proposals & Quotations should be submitted by July 31, 2025 via email to hsana@wahooas.org with the subject line:

“Quotation – Construction Engineer for Bo-Waterside Project”. or deliver hardcopy at the ECOWAS Office, Sophie Road opposite the South African Embassy.

Disclaimer

This EOI does not constitute an invitation to tender. Only shortlisted candidates may be invited to submit detailed proposals. WAHO reserves the right to reject any EOI received without prior notice to the applicant.
