Title: Block Rubber Manager
Posting Number: S_86
Posting Date: September 17, 2026
Reporting to: Director of Manufacturing
Grade Level M1

Applications will be accepted through September 30, 2026

Position Overview

Firestone Liberia LLC is seeking a qualified and experienced Block Rubber Manager to oversee the production of Technically Specified Rubber (TSR). The successful candidate will be responsible for ensuring safe, efficient, and cost-effective manufacturing operations while maintaining high product quality standards and achieving production targets.

Key Responsibilities

- Manage and supervise daily TSR production operations.
- Ensure production targets and quality standards are consistently achieved.
- Lead process improvement initiatives and lean manufacturing practices.
- Supervise, develop, and coach production teams.
- Coordinate equipment maintenance and reliability activities.
- Enforce Health, Safety, and Environmental (HSE) standards.
- Monitor and report key production performance indicators (KPIs).
- Collaborate with Quality Assurance, Maintenance, and Logistics departments.

Minimum Qualifications

- Bachelor's degree in mechanical engineering, Industrial Engineering, Manufacturing, Agriculture, Business Administration, or a related field.
- At least 5 years of experience in rubber processing or manufacturing, preferably TSR production.
- Minimum 3 years of supervisory or managerial experience.
- Strong leadership, analytical, and problem-solving skills.
- Knowledge of lean manufacturing, 3S principles, and continuous improvement methodologies.
- Good communication, report-writing, and computer skills.
- Budget & Cost Control
- Equipment Reliability & Preventive Maintenance

Working Conditions

- Factory/plant-based environment.
- May require shift work based on production schedules.
- Exposure to heat, noise, and heavy machinery with appropriate PPE.

Application Process: Interested internal candidates should submit their resume to the Human Resources Department or email FSLBHR@bfusa.com Please reference **Posting Number S_86** on all application documents.
