The Government of the Republic of Liberia has received funding from the African Development Bank Group (AfDB) towards the cost of the Paving of the John Davis Town – Zwedru City (48.5km) under the Mano River Union Road Development and Transport Facilitation Programme (MRU/RDTFP) Phase IV intends to use part of the proceeds of MRU IV funding for the payment under the contract for the supervision and management of the construction of an asphaltic concrete road from John Davis Town to Zwedru City (48.5 km), monitor the implementation of Environmental Social Management Plan (ESMP) and the Resettlement Action Plan (RAP) and monitor the Defects Liability Period (DLP).

The service will involve ensuring high-quality construction works are achieved in full compliance with the approved engineering design, technical specifications, and all other relevant contract documents. To ensure that the objectives of this project are accomplished, the Ministry of Public Works (MPW), the contracting authority, now desires to employ a Supervising Consulting firm to complete pre-construction, construction supervision, and contract administration of activities that include but are not limited to design review, evaluation of tenders as well as manage and supervise the execution of the works respectively and monitor the corridor during the defects notification period following the completion of the physical works.

The Ministry of Public Works now invites eligible consultants (firms) to indicate their interest in providing these services. Interested consultants **must** provide information indicating that they are qualified to perform the services (i) information detailing the company's existence and areas of expertise (ii) list of similar assignments and experience in similar conditions, (iii) list of overall permanent and temporary staff in fields related to the assignment (iv) evidence of past performance (v) any other relevant information. Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank's "*Procurement Policy and Methodology for Bank Group Funded Operations*" (BPM), dated October 2015", using the Quality & Cost Based Selection (QCBS) method which is available on the Bank's website at <http://www.afdb.org>. The MPW is under no obligation to shortlist any consultant who expresses interest. The assignment is expected to be carried out for a period of forty-eight (48) calendar months with thirty-seven (37) calendar months delegated to pre-construction activities and construction supervision and management and the remaining eleven (11) months of intermittent monitoring of the defects liability period.

Interested consultants may obtain further information at the address below during office hours 8:00 AM – 4:00 PM Monrovia Time. Detail information can be obtained from the Terms of Reference by clicking on this link below:
